## OUR JOURNEY IN CRAFTSMANSHIP

"Our journey in the wood industry began in 1992, rooted in craftsmanship and a passion for quality.

As a multi-generational business, we've carried this legacy forward, combining years of hands-on experience with a deep commitment to thoughtful design and precision-built kitchen cabinetry.

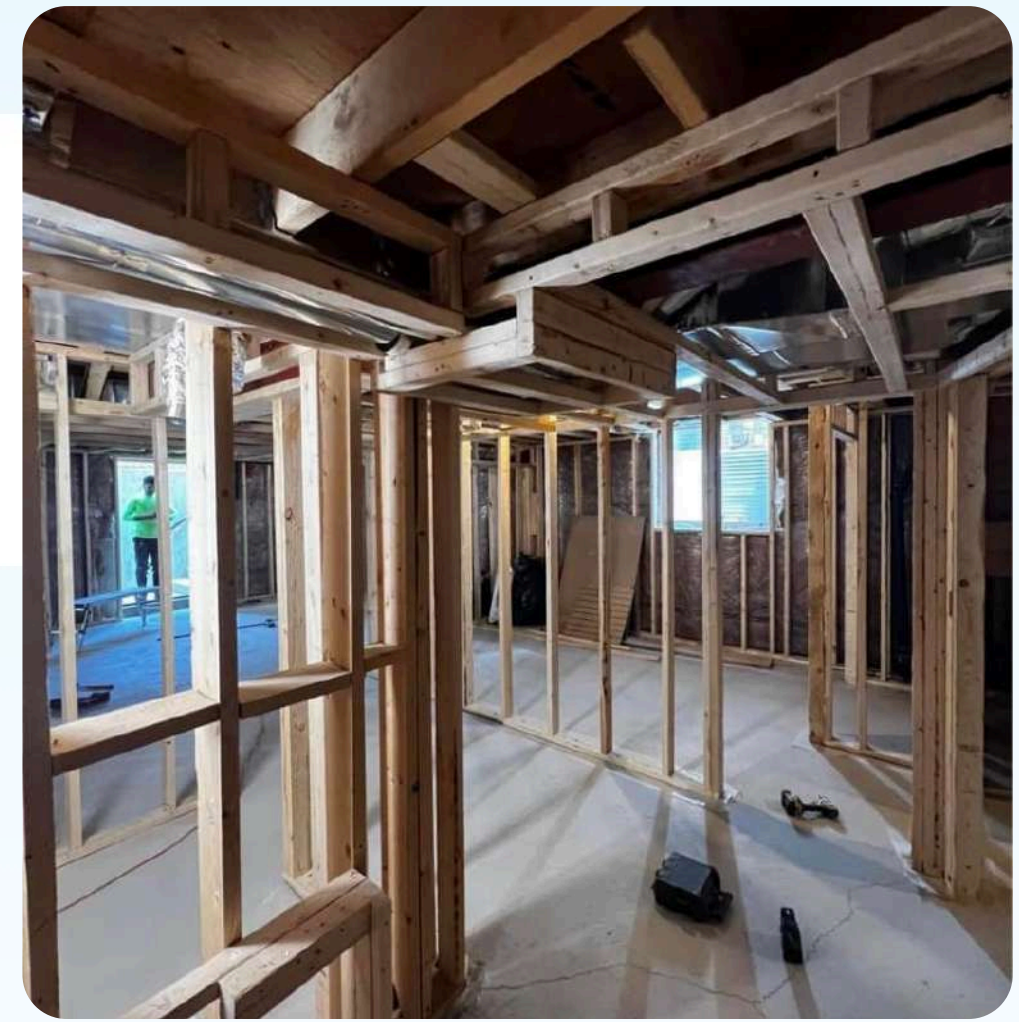

Today, we proudly continue to deliver enduring quality and excellence in every renovation we undertake."

## ABOUT US

- At **OW Renovation Company**, we specialize in a full range of residential renovation services, delivering exceptional craftsmanship with a strong focus on quality, precision, and attention to details.
- With years of experience in the industry, our skilled team is dedicated to transforming homes into beautifully functional spaces tailored to each client's lifestyle. From concept to completion, we ensure every project runs smoothly, on time, and within budget.
- We offer custom kitchen cabinetry, bathroom vanities, closet systems, and full interior renovations including basement finishing, framing, drywall, flooring, painting, and more.
- Whether you're looking to remodel your kitchen, update your bathroom, build a stylish walk-in closet, or renovate your entire basement, OW Renovation Company is your trusted partner for reliable service and impressive results.

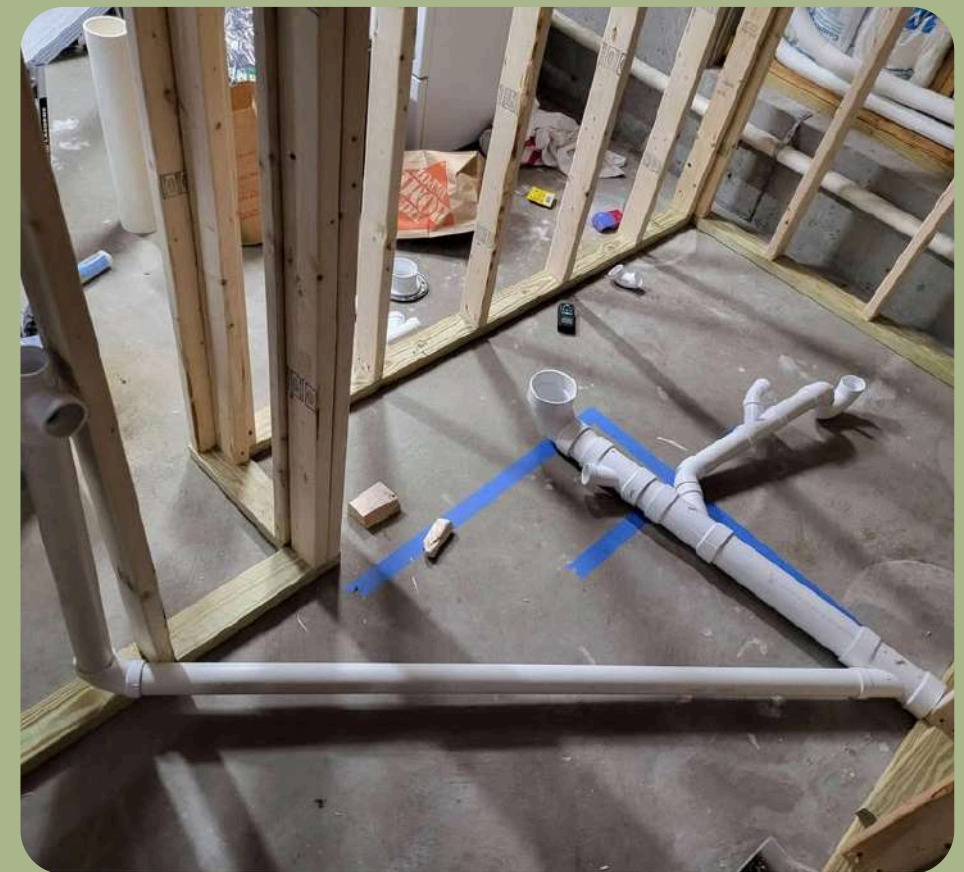

We specialize in high-quality wood framing that meets all local building codes and regulations, to ensure frame is constructed with precision and care.

## Our Services include

1. Wall Framing
2. Dry wall
3. Insulation

- 4. Electrical work
- 5. Plumbing work
- 6. HVAC Work

We provide complete renovation services, including electrical work done from scratch or modifications to your existing system, as well as expert HVAC and plumbing solutions.

# Basement Renovations

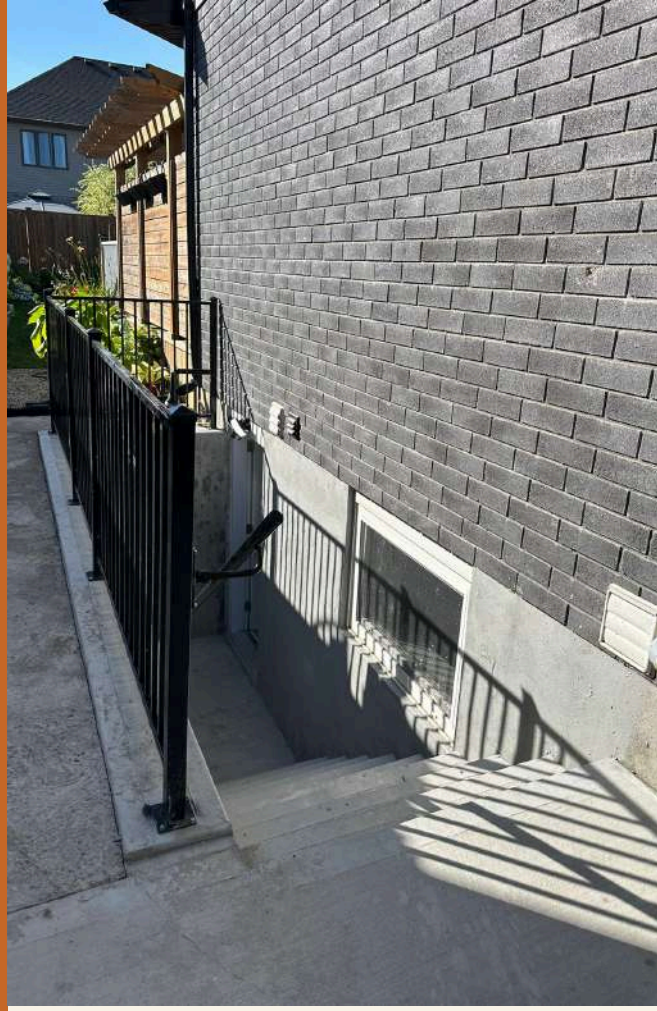

- Standard Basement Finishing
- Legal Basement Renovations

We transform your basement into a beautifully designed, fully functional space—whether it's a cozy family area, a legal rental unit, or your dream retreat.
